855.Meth.Free

CMA's 24-Hour Helpline is available to provide information and offer support to anyone seeking recovery from crystal meth addiction. Please note the Helpline is not a crisis hotline and therefore not equipped to respond to emergencies or answer any questions of a medical or legal nature. Although we have volunteers 24-hours a day, some calls do get sent to a voicemail system. If that happens, please leave a message **including your phone number** so we can call you back as soon as possible.
